'Friends of MRFC'

It is our wish to establish a club's home for München Rugby Football Club e.V. and to provide training and playing facilities that provide a suitable environment for the sportive development of all active teams.

In order to achieve these goals,
we need your help!

Who are we?

The Förderverein des München Rugby Football Club e.V. – 'Friends of MRFC' – was founded in 2008 by a group of dedicated active and old-boy members of München Rugby Football Club e.V.

Who do we want to reach?

Our primary target group are ex-members of München Rugby Football Club e.V., who value their active time they spent in Munich and who would like to support München Rugby Football Club e.V. in return for the good memories.

Of course all other persons and organisations willing to support München Rugby Football Club e.V. are welcome to become members.

Last but not least, every active member of München Rugby Football Club e.V. can also become a member of 'Friends of MRFC'.

Donations

The 'Friends of MRFC' – and with this the München Rugby Football Club e.V. - are living of the financial contributions of its members.

The yearly membership fee currently applicable (January 2014) is € 35.00. Of course every member is free to make donations beyond this amount, may they be one-off or regular (standing order).

Notes:

- Please use your bank statements to declare your yearly membership fee when making your tax declaration according to German tax law.
- For one-off and regular donations, we will issue yearly contribution receipts, conforming to German tax law. In case you are eligible for taxation outside Germany, please check with your tax advisor or your local tax authorities on the deductibility of these receipts.
